## **Formby Planning Application Is Withdrawn**

A planning application for housing on the edge of Formby has been withdrawn by the applicants prompting the cancellation of an additional planning meeting.

Barrett Homes and David Wilson Homes have written to Sefton Council to withdraw the application for 274 dwellings on the site bounded by Liverpool Road, Monks Drive, Savon Hook and River Close.

The applicant's decision means that an additional meeting of Sefton's planning committee on Monday, October 28, at the Atkinson, Southport, has now been cancelled.
